Little Willie has ten fingers
On his hands today.
Ah, what apprehension lingers
When we should be gay.

For a question grim, uncanny,
Fills the soul with sorrow;
Can he hold up just as many
When we're through the morrow?

Stella Moren, 14 barges.

This makes the total shipment by the Monongahela River Coal Company on the present water 81 boats and 160 barges. Besides these, the People's Coal Company shipped the G. W. Very Remarkable Cure of Diarrhoea.

"About 6 years ago for the first time in my life I had a sudden and severe attack of diarrhoea," says Mrs. Alice Miller of Morgan, Texas. "I got temporary relief, but it came back again and again, and for six long years I have suffered more misery and agony than I can tell. It was worse than death. My husband spent hundreds of dollars for physicians' prescriptions and treatment without avail. Finally we moved to Bosque county, our present home, and one day I happened to see an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy with a testimonial of a man who had been cured by it. The case was so similar to my own that I concluded to try the remedy. The result was wonderful. I could hardly realize that I was well again, or believe it could be so after having suffered so long, but that one bottle of medicine, costing but a few cents, cured me." For sale by J. Jas. Wood & Son, Druggists.

PLENTY OF IT.

Lots More Proof Like This, and It Is All From Maysville People.

"The proof of the pudding is in the eating of it." If any city or town in the Union has sufficient proof on the following subject it is Maysville. Genuine merit is finding its reward in the hearty endorsement of local citizens. When people right here at home, friends and neighbors of our readers, give a statement like the following for publication it is proof convincing for the most skeptical. Read this testimony:

Mr. A. W. McClanahan of 119 West Second street says:

"The use in my case fully demonstrated the value of Doan's Kidney Pills. I suffered more or less from kidney trouble for twenty years steadily becoming more persistent as time passed on. My attention was called to Doan's Kidney Pills and I got a box at J. James Wood & Son's Drugstore, corner of West Second and Market streets. The treatment so greatly benefited me that my only regret is that I did not know of this valuable remedy years ago, for had such been the case I would have been saved much suffering."

REPUBLICAN STATE CONVENTION.

LOUISVILLE, KY., May 14, 1903.

At a meeting of the Republican State Central Committee, held this day, it was ordered that a State Convention of Delegates be held at the Auditorium, in the city of Louisville, on Wednesday, July 15th, 1903, at 2 o'clock p. m., for the purpose of nominating candidates of the Republican party for the state offices to be filled at the election November, 1903, viz: Governor, Lieutenant-Governor, Treasurer, Auditor, Commissioner of Agriculture, Labor and Statistics, Secretary of State, Attorney General, Superintendent of Public Instruction, Clerk of the Court of Appeals.

Delegates to said Convention shall be chosen by the people of the several counties of the state, in Mass Convention assembled, at the county seats thereof, on Saturday, July 11th, 1903. The County Conventions shall be convened at 2 o'clock p. m.

The Chairmen of the County Committees shall issue a call, in conformity herewith, for said County Conventions, and publish the same, stating the place at which in their county seats the Conventions will be held by posting a copy of said call at their county Courthouse at least fifteen days prior to July 11th, 1903.

The basis of representation in the State Convention shall be one Delegate for each 100 votes or fraction over 50 votes cast for the Republican Presidential Electors in November, 1900. Upon this basis of representation the number of Delegates to said Convention is 2,208 and is apportioned to the counties of this Congressional District as follows:

Bath.....17
Boyd.....20
Bracken.....13
Carter.....25
Cynthiana.....21
Fleming.....20
Greenup.....20
Harrison.....18

C. M. BARNETT, Chairman.

R. L. Gwathmey, Secretary.

REPUBLICAN COUNTY CONVENTION.

In accordance with the foregoing, the Republicans of Mason county will meet in Mass Convention at the Courthouse in Maysville on Saturday afternoon, July 11th, at 2 o'clock, to select Delegates to the State Convention at Louisville.

WILLIAM D. COCHRAN, Chairman.

WHEN asked if he would resign his position as a member of the Democratic State Central Committee, Judge JAMES F. HARGIS of Breathitt county said, "I will do as I damn please!" Then the Judge needn't be surprised if some of the Democratic voters of Kentucky do as they damn please too.

THE news comes off the wires that the United States, England and Japan will unite to prevent Russia from doing as she pleases in China—or elsewhere for that matter. If this be so, the Bear will find a much more indigestible meal than he tackled when he bucked up against Turkey, France and England in the Crimean War of 1854-56.

THE outrages in Breathitt county have made the press of Kentucky a unit for cleaning out the whole nasty gang, regardless of politics, religion or previous condition of servitude.

THE authorities of Columbus, O., are undecided what to do with a fifteen-year-old boy criminal. They might send him to Breathitt county in this state and let him finish his trade.

HERE's to honest JIM ALLEN, hopin' he'll see to it that Harrison county doesn't disappoint public expectations in the coming Jett trial. The good people of the entire state, regardless of politics, want to see a full vote and a fair count—with CURT tugging at the business end of a rope.

It is reported that the Negroes are planning an attack on the whites at Wilmington, Del., in revenge for the recent burning of one of their number for a heinous outrage. The burning was, beyond question, an awful affair—and so was the offense which prompted it; but when it comes to a war on the whites in retaliation, THE LEDGER mildly suggests to the colored folks—Don't!

THE LEDGER, in common with Republicans all over Kentucky, rejoiced in the success of Attorney General PRATT in securing the office to which he was rightfully elected; but when he decided that BECKHAM was right in giving CALHOUN \$71,000 of the people's money for collecting an undisputed claim from Uncle Sam, he certainly furnished our friends the enemy with a club that will knock his aspirations for Governor into a cocked hat.

A DISPATCH from Danville says fifteen young women in and around Perryville have organized an Anti-Marriage Club. Members of the Club declare eternal celibacy, and the by-laws provide that any young woman guilty of receiving a beau shall be forthwith expelled and blacklisted. It is not stated at what age Perryville women cease to be classed as "young;" but the chances are that the formation of a club and the assumption of "so-help-me-gracious!" were entirely unnecessary in the present case.

Make Hay While the Sun Shines.

Make all the hay you can. Providence helps them who help themselves. A good high price is offered you for hay. Help yourself by saving all of your grass. MINNIE MOWERS AND RAKES will cut and save anything that grows out of the earth! There is a big difference in mowers. Some cut well but are horse killers. Others run light but rack to pieces in a few short years. THE LOST IS FOUND! What you have been looking for is a grubbing machine that will not ruin your team.

MINNIE'S GUARANTEE. Is that she will cut anything from bluegrass to briars and run lighter to your team than any other mower made! The Minnie is Bicycle Bearing throughout, high wheels, wide tread, and has a pitman rod 40 in. long. Compare this high wheel, wide-tread mower with others having a 24 inch pitman rod, and it will make them look like 30 cts. badly mutilated. The Minnie Mower is strong where others are weak, and that is in the cutter bar joint. We guarantee the hinge and shoe upon the Minnie to weigh four times as much as the hinge and shoe upon any other mower.

A MINNIE CUTTER BAR WILL STAY IN LINE. We ask you in all fairness did you ever see any other mower that the cutter bar would not drop back out of line? You know full well that when the cutter bar sags back the sections all cut into the guards and the machine chokes continuously.

The Beautiful Minnie Mower has overcome this greatest objection to all mowers.

AN INGENIOUS PATENT. And well worth your inspection is the Foot Lift upon the Minnie Mower. It is a Yankee trick sure; the cutest thing that we have ever seen.

SIMPLE ENOUGH AFTER YOU KNOW HOW. And any of us ought to have had sense enough to have invented it. Listen! One single lever raises and lowers the cutter bar and locks and unlocks the cutter bar when in an upright position! All done with one lever without getting off the seat! Wonderful but true.

THE MINNIE RAKE IS UP-TO-DATE. And we earnestly ask all of you to call and look at the new patents upon both the mower and the rake whether you have any idea of buying or not. Call and see the new patents. Delighted to show them to you.

WE TRADE MOWERS. Bring in your old worn out mowers and we will trade you a new one. We will give you more for your old mower than you will ever get again.

WE HAVE A PLACE FOR OLD MOWERS. Special contract. Competition not on to yet. We can give you three times as much for an old rattle-trap mower as any one else can. TRY US!

WHEN THE NERVES ARE SHATTERED.

When the nerves are shattered one cannot think, work, eat, sleep or accomplish anything. It's a case of force all the time—a continued effort to keep going—no life—no energy—no ambition—upset at anything—nervous headaches—crying spells—fits of depression and utter despondency. Dr. A. W. Chase's Nerve Pills cure this condition to stay cured by rebuilding the shattered nervous system—nourishing the nerve centers and resupplying what is lacking—the active principle of life—Nerve Force. Mr. A. J. Carnahan of No. 228 Sixth street Maysville, Ky., says: "I have used Dr. A. W. Chase's Nerve Pills in my family for shattered nerves and dizziness and found they would rapidly and easily steady the nerves—give natural sleep and cure the accompanying dizziness. From a practical test of this medicine I can recommend it as an excellent nerve tonic. Should I need such a medicine again I shall not forget they are for sale at Chenoweth's Drug-store."

BLUFFS THE MEN.

Attempt to Release a Fleming County Murderer a Signal Failure.

Friends of William J. Thacker tried to release him from the Fleming County Jail Tuesday night.

Three men drove to the Jail, awoke Jailer Morris and told him they were officers with a prisoner.

When the Jailer opened the door he was seized by the men, but was prepared for them, poking a revolver in their faces and telling them to go. They went without delay.

The would-be rescuers were not recognized but they are supposed to be from Lewis county, Thacker's old home. The prisoner evidently expected them, for he was up and fully dressed.

Thacker is charged with the murder of William Gordon. He has had two trials and given a life sentence each time, and will be tried again at the next term of the Fleming Circuit Court. This is the second attempt made for his release.

CLOTHING TALK! s s s s

There is something about the Hart, Schaffner & Marx Clothing by which you may identify them even more certainly than the label. It goes into them before the label. It is a style, a quality, a tailored-by-hand touch to them, a harmony of fabrics, trimmings, etc., a thoroughbred look about them never found in other clothing. The fact that we can't define it doesn't make it any less real. You can see it without fully realizing what it is. We can't show it or tell you fully about it until you wear the clothes. Then we won't need to. This incomparable line is for men and confined to us.

But we have provided as well for the boys and children. We invite inspection and comparison of both goods and prices.

OUR MERCHANT TAILORING DEPARTMENT, under the supervision of Mr. Charles F. McNamara, is the only one in the city paying Union prices and having all work done at home. Ask to see one of our made-to-measure Suits. You can get them cheaper elsewhere, but not like ours.

Let us show you our new Shirts, new Hats, new Neckwear, etc., etc.
